

## California Department Of Resources Recycling And Recovery

The statements and conclusions of this report are those of the contractor and not necessarily those of the California Department of Resources, Recycling and Recovery, its employees or the State of California. The State makes no warranty, express or implied, and assumes no liability for the information contained in the succeeding text.

Louis Berger Group, Inc. makes no representations or warranties, express or implied: (1) as to the suitability or safety of any use of a particular product derived from waste tires, (2) that any use complies with or contravenes any specific requirements or regulations, or (3) as to the product benefit claims listed herewith. Louis Berger Group, Inc. does not purport to address safety concerns, if any, associated with waste tire byproducts, and assumes no liability for any use of waste tire byproducts or for the information contained in this document. It is the responsibility of the user of waste tire byproducts to establish appropriate safety and health practices and determine the applicability of regulatory limitations prior to use. Any mention of individual businesses and their commercial products should not be construed as an endorsement of such products or processes.
